

Teacher training and the innovative use of ICT in higher education

La formation des enseignants et l'utilisation innovante des TICE dans l'enseignement supérieur

- 9:00-9:30** **Arrival, registration of participants**
- 9:30-9:45** **Housekeeping and Introduction**
Deborah Arnold, eLene-TT coordinator, Videoscop-Université Nancy 2
- 9:45-10:00** **Welcome to University Paris Dauphine**
Bernard de Montmorillon, President of Université Paris Dauphine
- 10:00-10:30** **eLearning and lifelong learning in Europe**
Maruja Gutierrez-Diaz, Head of Unit Innovation and Transversal policies, European Commission - DG Education and Culture, Directorate for Lifelong Learning
- 10:30-10:50** **Coffee break**
- 10:50-11:00** **A brief history of the eLene group**
Matteo Uggeri, Project manager, METID-Politecnico di Milano
- 11:00-12:30** **The eLene-TT approach**
European collaboration in designing ICT-supported teacher training with practical accounts and concrete results from the eLene-TT experience
Eija Ristimäki (Helsinki University of Technology), **Spyros Abatielos** (Bremen University), **Andrzej Wodecki** (Polish Virtual University), **Teresa Guasch** (UOC), **Claire Englund** (Umeå University), **Päivi Virtanen** (University of Helsinki), **Ineke Lam** (Utrecht University), **Adel Ben Youssef** (Université Paris Sud)
- 12:30-14:00** **Buffet lunch**
- 14:00-15:20** **European initiatives for improving ICT teacher training**
Presentations and exchange with leading practitioners and researchers from related EU projects
Chair: Prof. Dr. **Manfred Wischnewsky**, Director, ZMML – University of Bremen
- **Dr Clive Young**, EduScope. VideoAktiv (Socrates-Minerva)
 - **Dirk Schneckenberg**, University of Dortmund. e-competence initiative (eLearning)
 - **Maureen Layte**, IfEL (European Institute for E-Learning). eTTcampus (eLearning)
 - **Dr Alain Taché**, Université Toulouse I. Net Trainers (Leonardo da Vinci)
- 15:20-15:40** **Coffee break**
- 15:40-16:50** **Where now? Strategic trends and challenges**
The big picture - ICT teacher training seen from the wider perspective of institutional, economic and political evolutions in higher education
Chair: **Michel Armatte**, Université Paris Dauphine
- *Costs and benefits in an eLearning context - what can departments and teachers learn from such an analysis? Results from the eLene-EE (economics of eLearning) project*
Sofia Lundberg, Assistant professor, Umeå University – eLene-EE project
 - *Penguins and Other Animals: An exploration of melting ice in a campus based university – e-learning strategy development and embedding in a mixed mode University.* **Gilly Salmon**, Professor of E-learning & Learning Technologies, University of Leicester
- 16:50-17:00** **Conclusion and wind-up**
Daxa Patel, consultant and independent evaluator of eLene-TT project and **Deborah Arnold**
- 17:00-19:00** **Closing cocktail**
